JOURNAL OF KUFA FOR CHEMICAL SCIENCE

((Article Template))

When printing the research, the following must be adhered to:

- 1- The footnote from the top is 2.5 cm, and from the bottom is 2 cm, while the distance is 2 cm from the right and it is 2 cm from the left. The approved font should be Times New Romans for all research.
- 2- The title of the research is written in bold and in size (16), and the first letters of the words are written in capital letters.
- 3- The names of Authors are written in mysterious color and in size (14), and their addresses are written in normal size (14) under it. Including the format: Department, College, University, Country (if the research is from outside Iraq). E-mail For Authors, if available, write in size (12) in bold and italics.
- 4- The research is arranged in the following format: Abstract, Introduction, Part The process or materials and methods of work, results and discussion, conclusions, if any, References, the summary does not exceed more than (250) words. Left distance between Single lines.
- 5- Figures, tables, and images are placed in appropriate places and take adjusting the page within the context of writing with what Refers to it clearly, so that the title of the figure, table, picture, or chart is bold and sized (14).

The scientific references are written as follows:

*** Scientific journals:**

Kakiuchi M, Okino N, Sueyoshi N, Ichinose S, Omori A, Kawabata S, Yamaguchi K, & Ito M. [2002]: Purification, Characterization, and cDNA Cloning of a-N-Acetylgalactosamine-Specific Lectin from Starfish, *Aserina Pectifera*. *J. Glycobiology*. 12 (2), pp. 85-94.

*** Letters and theses:**

Al-Ani A W. [2006]: Biochemical Study on Extracellular Superoxide Dismutase Enzyme in Patients with Different Brain Tumors. M. Sc. Thesis, Chemistry Department, College of Science, University of Baghdad.

*** Books:**

Humason GL. (1967): Animal Tissue Techniques. 2nd Edition. Freeman W H Company, San Francisco.

6- The Authors demands a final paper copy after the experts agree to publish the research with the floppy disk.

7- Researches shall not be returned to their owners, whether they are accepted or not.

8- The journal is not obligated to withdraw the research after it has been accepted for publication for any reason.

9- The Authors is not entitled to claim all research requirements after the lapse of one year from the date of publication.

Journal of Kufa For Chemical Sciences - College of Education for Girls - University of Kufa.

Editor in Chief

Prof. Dr. Hasan Thamer Ghanim
